
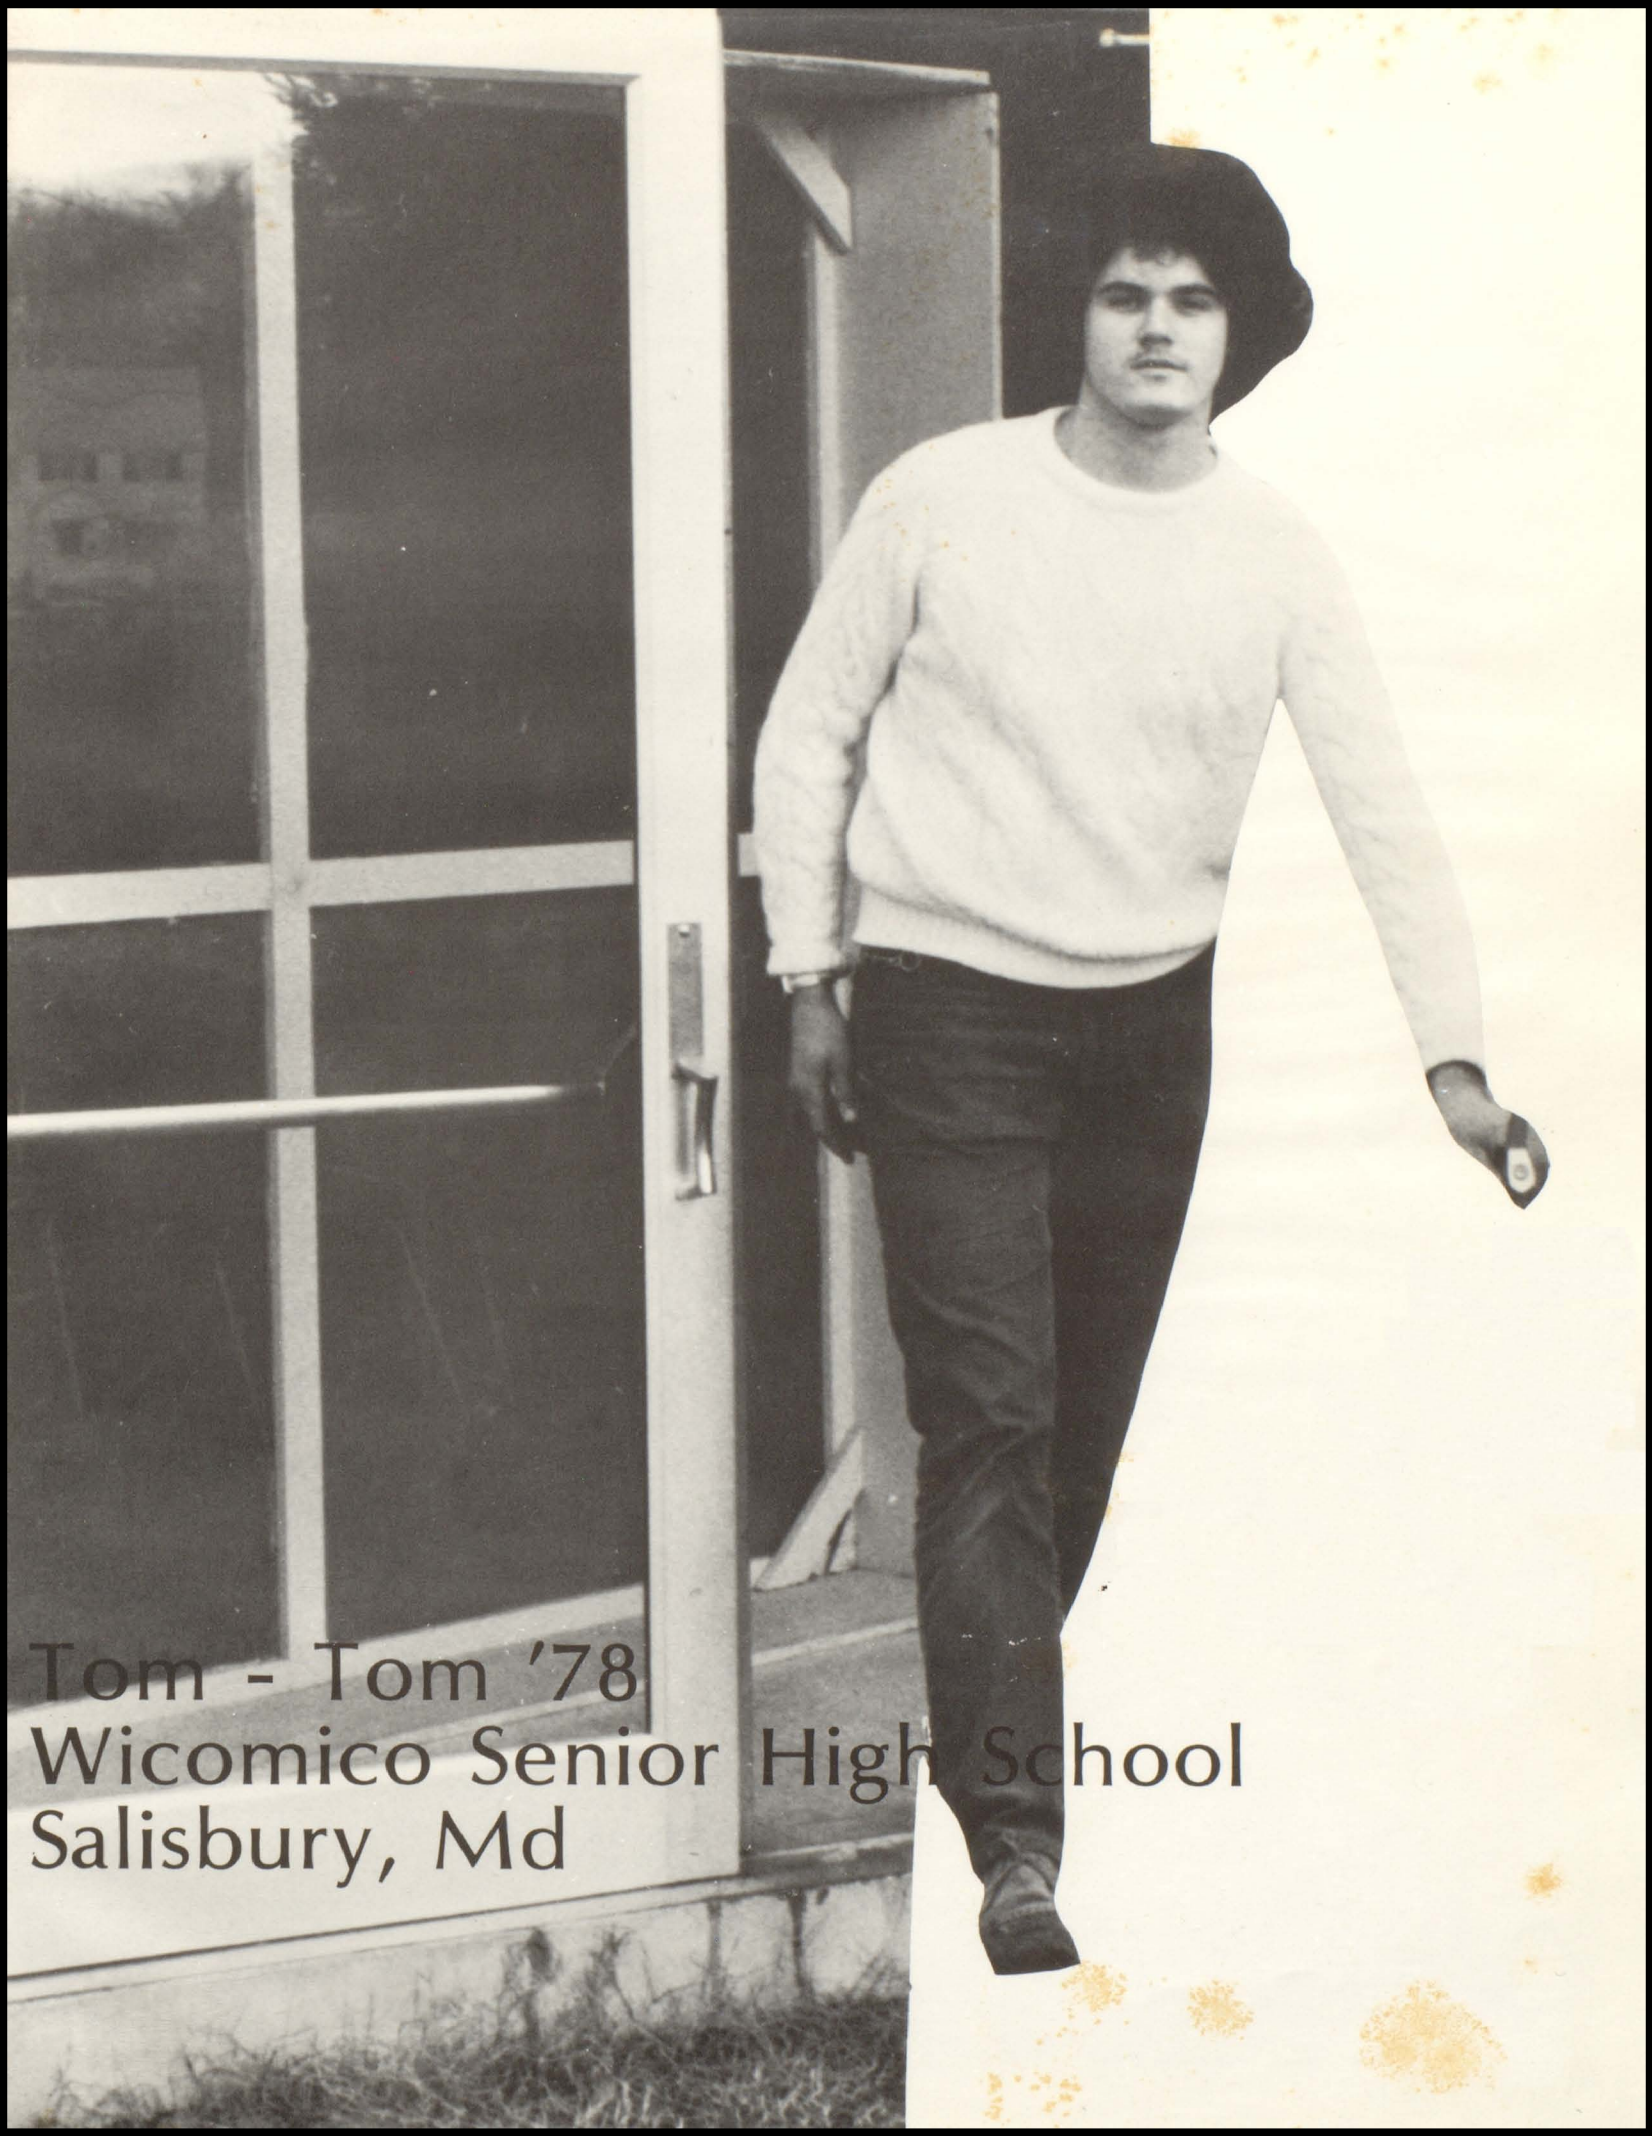
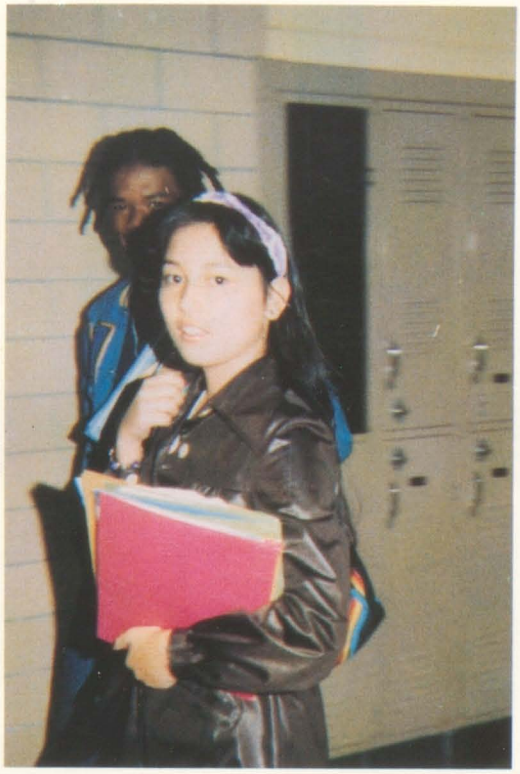
TOM TOM 1978



Tom - Tom '78
Wicomico Senior High School
Salisbury, Md

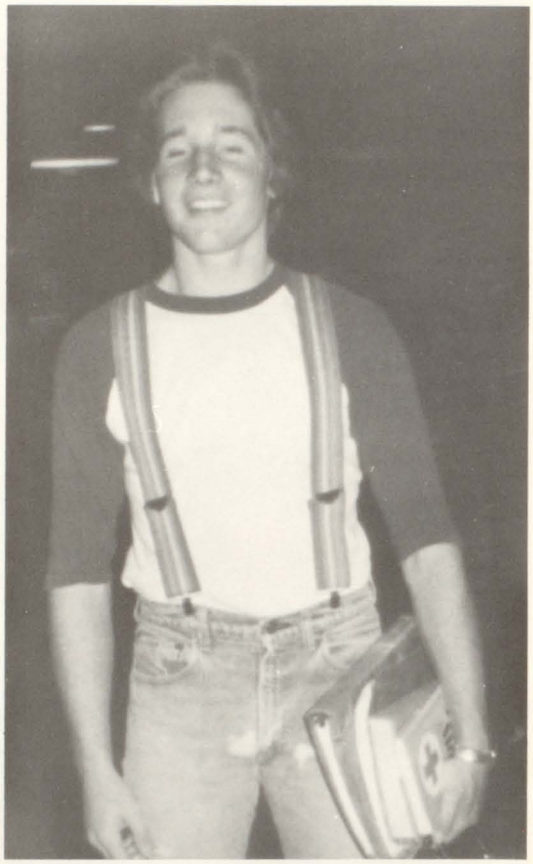
C'mon! We're Steppin' Thru Wi Hi . . .

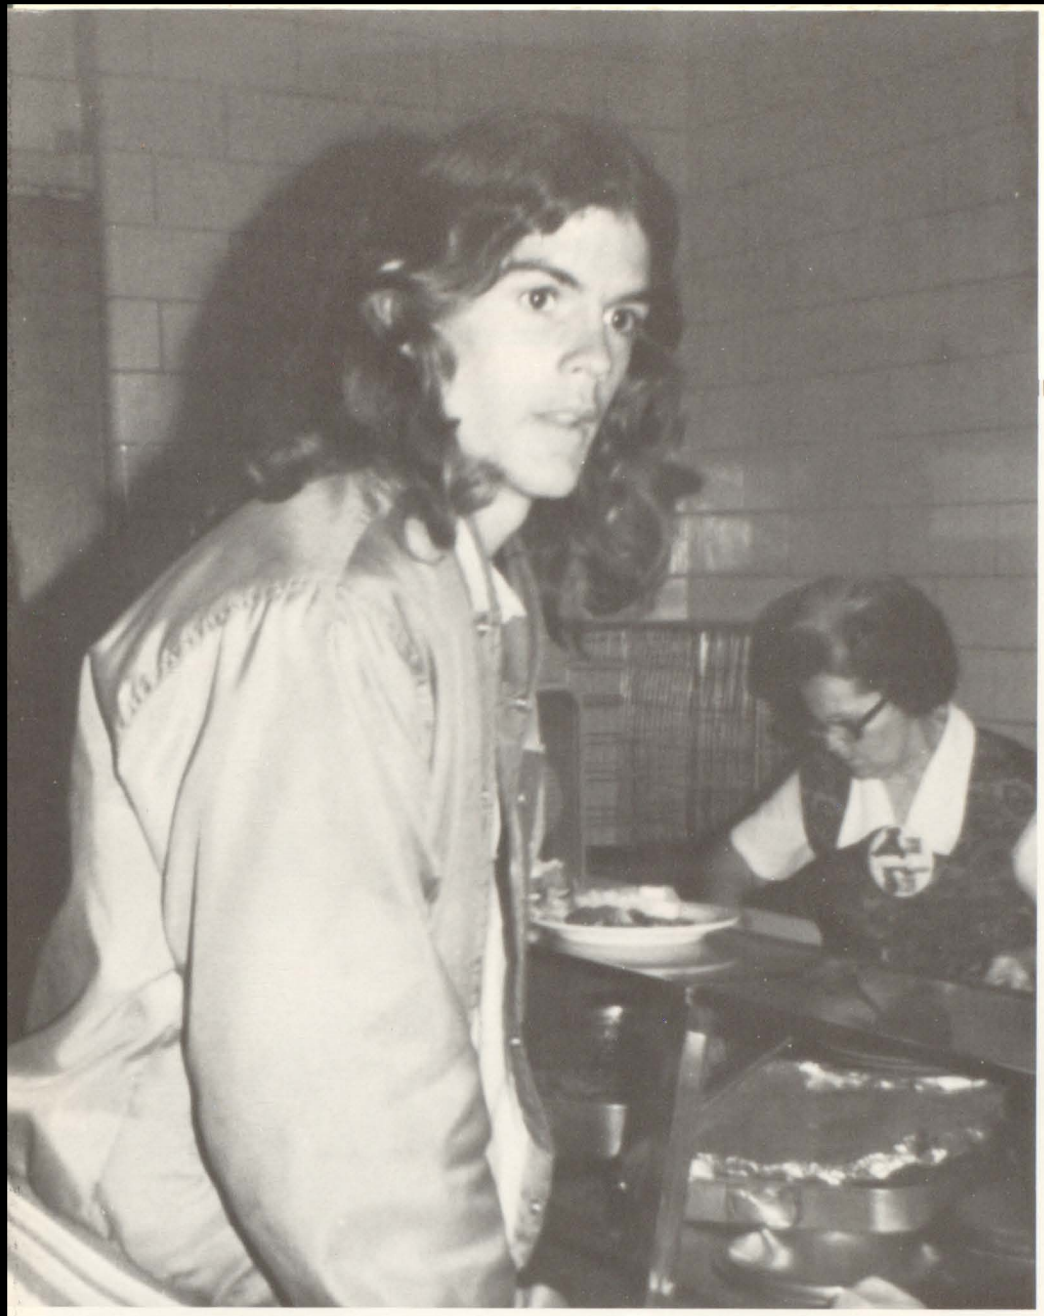
. . . C'mon! We're steppin' thru Wi Hi in '78. We all arrived at school after a short but event-filled summer, eager to see old friends and classmates. Freshmen made their debut into high school life, anxiously steppin' into new beginnings. Things were hectic in guidance - the computer went haywire with everyone's schedules, causing the entire student body to panic. But our capable counselors soon straightened everything out.

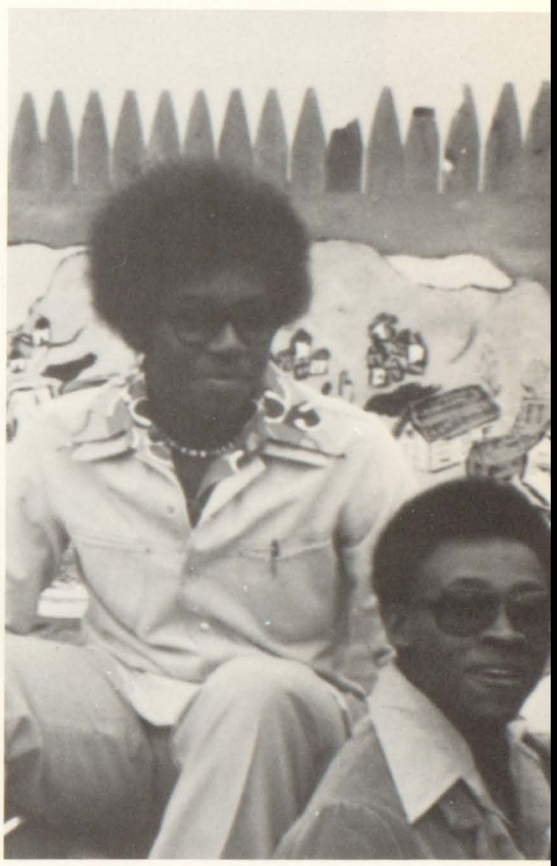


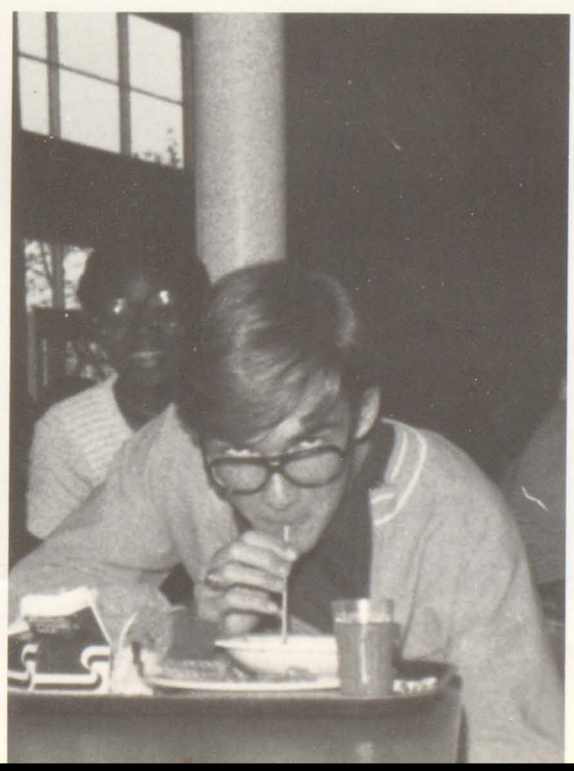
Steppin' Thru Lunchtime . . .

. . . When the lunch bell rings we're all steppin' into those l-o-n-g lunch lines. After a little good music and good food, we're all ready to return to class and - eat! There are candy sales and bake sales and leftover lunches.









We're Steppin' Thru New Things . . .

. . . We're steppin' thru new things - a new football coach, Mr. Rick White, who led the mighty Indians to a fine 6-4 record; a new vice-principal, Mr. David Johnson, who is usually seen steppin' thru the halls with a big, friendly smile. The band can be seen steppin' high with their new uniforms and Rick Parsons was seen with a new face for Halloween.

Steppin' Thru Activities . . .

. . . Soon after the festivities of a victorious Homecoming we all settled down into the routine of Wi Hi. Many students turned to sports for their enjoyment and the junior class held a slave day which was a success.

STAR WARS

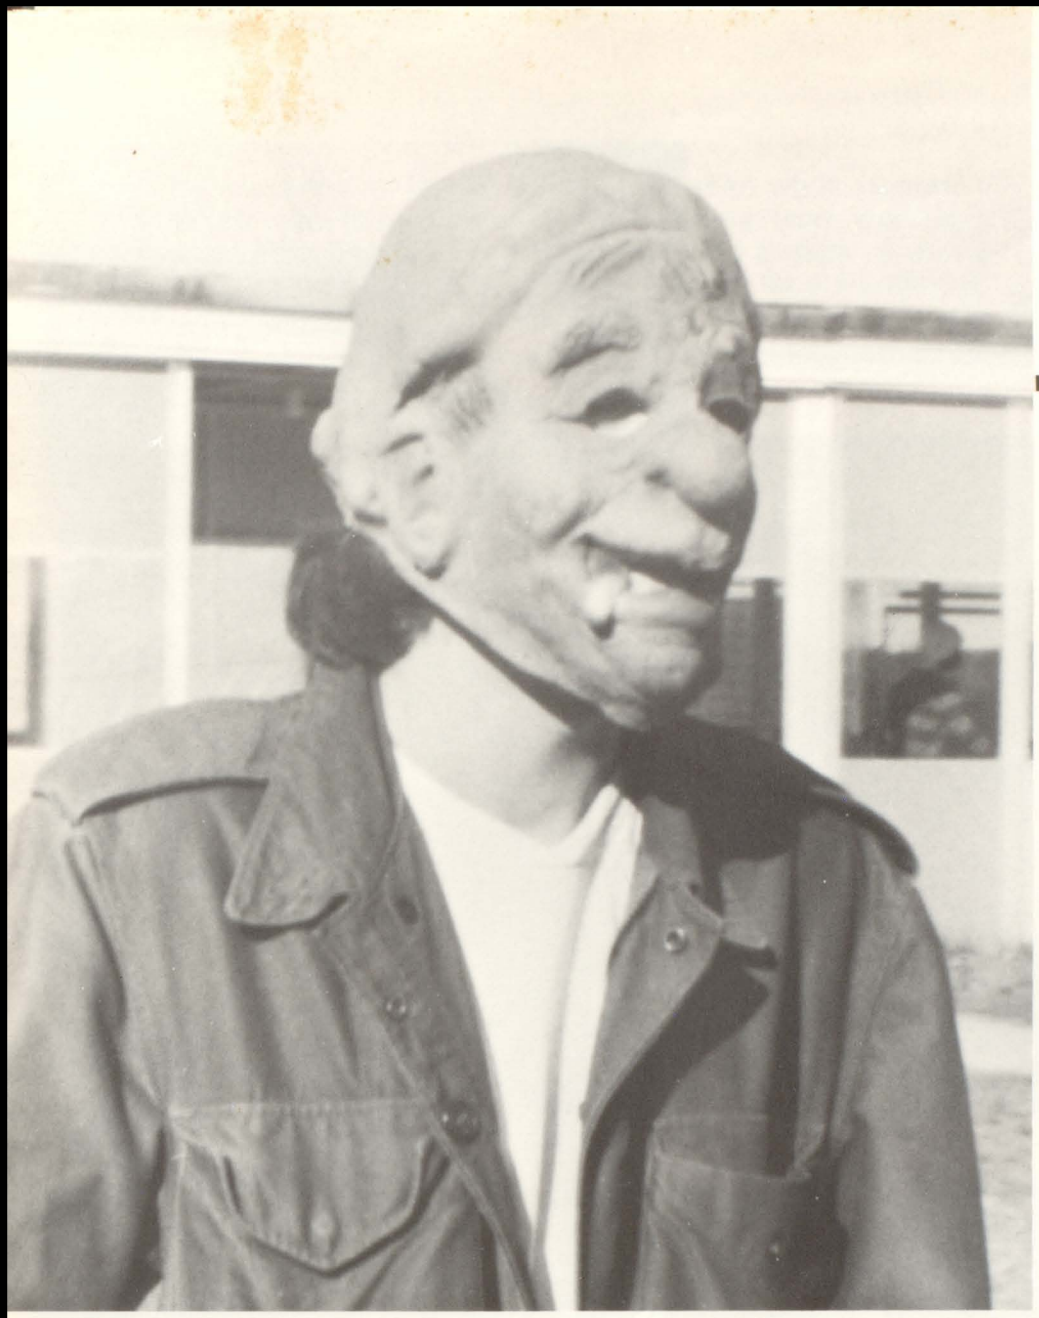
. . . As we're steppin' thru Wi Hi, we know the force is with us - along with skateboarding, motorcycling, gardening, creating, exercising and learning.

Steppin' Thru Fashion . . .

. . . Our students can be seen steppin' into fashion: the three piece, cowl necks, Levis . . . and the Wi Hi varsity jacket is always in style here. No matter what you're wearing, a beautiful smile adds the finishing touch.



Steppin' Thru Activities . . .

. . . There are a variety of things to be seen while steppin' thru Wi Hi---anything from cooking to eating; from working to playing. The Booster Club's bonfire added a spark of excitement to the football season, and we all spent time wondering what a Rock-a-brella was!

Together we the class of 78 have much to be proud of. So, let us reflect on our years at Wi Hi. As Sophomores we were a class of spunk and spirit. Starting from scratch (with zilch in our account) we worked earnestly, holding bake sales, shoe shines and car washes. We were a group of determined Sophomores, struggling to raise money, while trying to build a winning float. Although we didn't win the float competition, our outstanding entry entitled, "The Indians are coming" gave us a reason to be proud. Following the Bicentennial theme we constructed Paul Revere astride a horse and won second place, ahead of the class of '77. We continued our year selling Arby's coupons and holding a successful yard sale.

After an enjoyable summer we began our Junior year determined to win the float competition. With the "Wild, Wild West" as our theme for Homecoming we began designing what was to be the most original float. Our new "pomping" method was sticky and messy, but gave a dynamic effect. Our revolving cards, huge dice and poker chips created the perfect gambling scene, which we named, "The Way the West Was Won". Although the Indians lost the football game, our float brought a rewarding first place victory.

The actors of the class displayed their talent by performing three one act plays entitled "Mixed Emotions". We combined our talents once more and sponsored the Junior-Senior Banquet. The theme for the banquet was "Senior Class Nostalgia", and the event was most successful. We ended our Junior year with more fund raising (an ever-present problem for our class).

And then, our senior year began! Faced with many problems, we began working on Homecoming. Although we got off to a slow start, we pulled together during the last two weeks and worked night and day. Again we used our "pomping" method and constructed an animated train which chanted, "We know we can". If fit perfectly into the fairytale theme of "Once Upon A Time", and naturally we won first place. The Indians were also victorious in defeating Queen Anne's, 25-0.

The drama students of the class were successful year-round at the box office, for they performed three plays: first, the Senior Class Play, entitled "Tear Along the Dotted Line"; second, the Dinner Theater, which consisted of a series of skits; third, the Drama II Play, "Murder on Center Stage". Each carried on the tradition of fine Wi Hi entertainment.

With thoughts of our prom (or, rather fears of not having one) we continued fund raising. Chocolate candy sales and Senior Dollar Days were the most rewarding. With expectations of a royal night, we began working. We chose the theme, "Castles in the Sky"; our flower, white rose; our colors, baby blue and ivory; and our song, "The Greatest Love of All". Prom night was sure to be an enchanting evening.

Special events such as the Junior-Senior Banquet and our Baccalaureate were unforgettable. First, we were treated to a fabulous banquet, where we gave our own awards to outstanding seniors. Second, our formal Baccalaureate, where we wore our caps and gowns, combined an inspirational message with special messages from a few classmates. During the service we were reminded of and inspired by our class motto; "Never walk in anyone's shadow, for if you fail or if you succeed, at least you will live the life you believe".

We accomplished a great deal in our three years at Wi Hi. We not only received an education, but made everlasting friendships and developed unique characters which will lead us through life. We created history!

Your friend always,
Pam Fennell

The year of '78 was a time of change for seniors. Many old traditions were broken, but many new ones were begun. With the recent loss of the Civic Center there was question as to where our prom and graduation would be held. There was talk of graduating in our own auditorium or on the front lawn. Finally it was decided that commencement would be held at SSC in the new Ben Maggs Physical Activities Center. Also this year, for the first time we held our Baccalaureate Service in our own auditorium. Seniors wore their caps and gowns and sat together.

The Tom-Tom would not be complete without some mention of Ocean City. As the winter wore on, Seniors sat in class, dreaming of prom time and the warm sands of O.C. it seemed as if Spring would never come, but many seniors took a "personal leave" day and headed for the beach anyway. Those who did were in "ship-shape" condition after a little break from the daily routine. Finally Spring arrived - late, and rainy.

We all anticipated a day of sunshine in the rainy week before the prom - to bask in the sun and brown our bods for the big event. This year, as usual, the place to go before and after the prom was Ocean City. We will certainly remember Ocean City as an important part of our Senior year.

Senior year was a year of new experiences for all of us. One senior in particular had a very unique experience. Bill Milbourne experienced a close encourter of the blind kind. Throughout his day he received many laughs, sneers and plenty of questions. "I was kicked, slapped, and stuck by pins," said Bill, who had anticipated this type of reaction from other students. But some were eager to help and asked Bill about his experiences. He found his way to class with the aid of fellow students and his trusty cane, and amazingly, was only late once. He performed this experience as a project for psychology class. Bill commented that the experiment was quite worthwhile. "I feel like more people would understand things better if they'd get out of the classroom and do it."

JRS.: SUPERCLASS OF '79!!!

Junior class history

At the beginning of the year, all the Juniors were ready, willing and able to get things going. Money started rolling in right away as we kicked off with a successful yard sale.

After much controversy over the theme for our Homecoming Float, we finally decided upon "WiHi's Tough — NO YOLK." The float didn't win, placing a close second, but after all that work we still felt like winners. Special thanks go to Mr. and Mrs. Aydelotte for the use of their barn, and to Mr. Auer for pulling us along.

Money raising projects included bake sales, guessing the number of candy kisses in a jar, and selling off the last of those WIHI hats.

We finally proved the superiority of the class of '79 by dominating the events of All Sports Night. A victory celebration was held afterwards at Pappy's. Although no champagne was served, our coke glasses could be heard clunking together as we toasted our success.

Rings were ordered in mid-April and we are anxiously awaiting their arrival at the beginning of next year.

The Junior/Senior Banquet was held on May 1 and we tried to make ours original by having a disco afterwards. Entertainment was provided by Dan Connell and Owen Hooks, and the dance afterwards was hosted by Al Frazier of WSUX. Everyone had a great time and it was a unique evening.

Our junior year was one we know we will always remember. It was a year of accomplishments, OVERCOMING OBSTACLES, and getting to the top. We wouldn't have gotten where we are today without our tremendous class spirit and togetherness, or without the guidance of our class officers: president - John Whall; vice-president - Molly McGinty; secretary - Debbie Wells; treasurer - Renee Nacrelli; and historian - Mary Morrison. They kept us going through thick and thin. We knew we could always count on them when the chips were down.

We would like to thank Miss Joyce Loeffler for all her extra help. She was always there when we needed her and her "speeches" were quite welcome at all class meetings. Thanks also to Mr. Mike Minner.

All in all this has been a tremendous year and we're sorry to see it go, but we will be back next year. In closing, we would like to remind the world --- we're on our way!

SOPHOMORE CLASS HISTORY

The sophomore class got underway early this year with a few executive meetings in August.

In preparation for the sophomore class float we had meetings at the beginning of the school year and entitled our float "How the Cowardly Lion Lost His Courage". We placed third in Homecoming activities. The two representatives from our class for the Homecoming Court were Carole Wells and Terri Mills. Our thanks go to Mr. and Mrs. Gargiliano for letting us use their garage for the preparation of our float.

Throughout the year, we have had many successful bake sales such as the ones at the bus ramps, on the soccer field, and on the Downtown Plaza. We also had a combination bake sale and yard sale on Liberty Street at the home of Leslie Jones.

We have had a very successful year with money. We placed first in the Can drive and won $25. We were the loudest class at our Pep Rally here at school against Cambridge and we added $15 more dollars to our treasury.

We were also very surprised by the amount of enthusiasim we had from our class for donation day.

The year is not over yet, and before the close of school we plan to have other meetings.

A special thanks goes to Mr. Bond, Mrs. Jones, and Miss Susan Miller for their guidance and encouragement.

Thanks to our class officers, because without them this year would not have been such a success.

Respectfully submitted,
Terri Mills, Sophomore Class Historian

Freshmen are moving on up! . . .

Freshman class history

The beginning of the 1977-1978 school year was something really different for the class of 1981. As we began one of the most important eras of our lives we realized that play period was over and some serious work was about to begin.

We started off the year by electing our class officers. The class made wise decisions by electing as President-Lisa Culver, Vice President-Jessie Mears, Secretary-Pam McGlothlin, Treasurer-Kathy Moreno and Historian-James Parker.

Homecoming arrived and brought new experiences for everyone involved. The theme for our float was "Make the Lions Pussycats" and sufficiently represented the hard work we put into it. It even received compliments from upperclassmen. The Freshman Homecoming court included Lisa Culver and Kim Malone. We were proud to have them represent our class.

Our main fund raiser for the year was providing all those great baked goods at the soccer games. Thanks to everyone who supported us.

Thanks also go to Mrs. Elaine Shahan and Mr. Robert Majors. They were always there to guide us when we needed them.

This was a fantastic year for Freshmen and we are anxiously awaiting the years to come. The only way for us is UP!

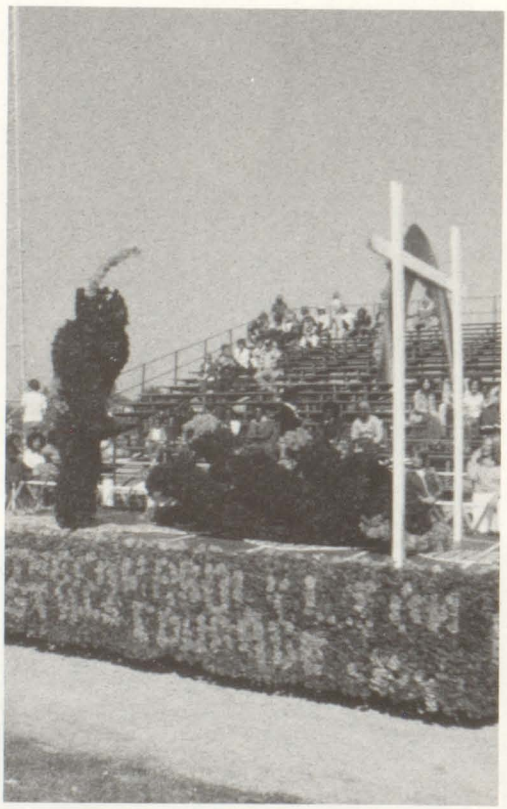
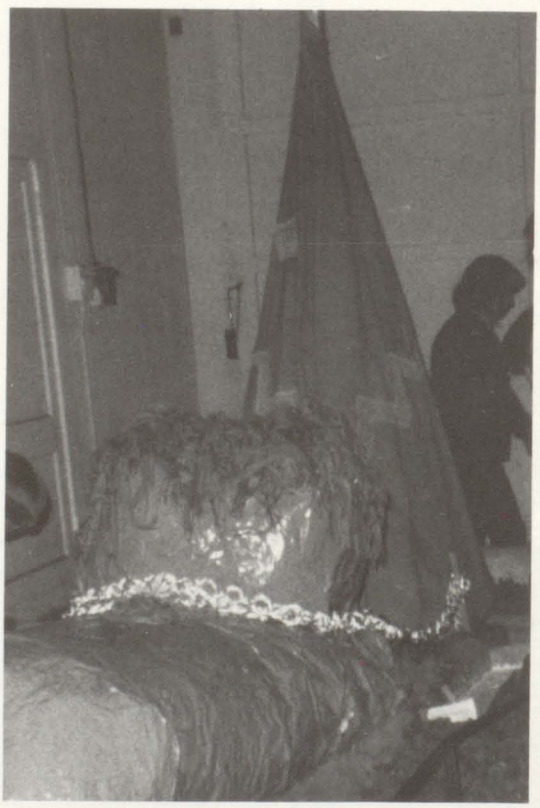
Junior float: Wi Hi gets it together, No yolk!



Sophomore float: How the Cowardly Lion Lost his Courage



Freshman float: Wi Hi Makes the Queen Anne Lion a Pussycat

Homecoming '78 was kicked off Friday afternoon with a pep rally 7th period. Led by our bubbly, spirited cheerleaders, Wi Hi was revved up for an exciting, event-filled weekend. Immediately after the pep rally, students rushed home to make the final arrangements for the big game and the dance. Many of us worked through the night, putting the finishing touches on our classes' float. Finally the magic day arrived, warm and sunny, and we were all up early (some of us never went to bed!) preparing for the pre-game festivities. Morning found the seniors still pomping in the parking lot at St. Francis before the parade began. Banners were proudly displayed as cars and floats circled the football field. With three gorgeous girls to choose from, the football team had a tough time choosing the queen. It was a dream-come-true for pretty Pam Mears, who was this year's queen.

Paul Weeks shows his moves in the open field.

For the second year in a row, the class of '78 stepped into victory in the float competition with their little train that knew it could. The DECA car and the band banner were other winning entries. In a fast-paced game, our mighty Indians crushed the Queen Anne Lions in a 25-0 win. In the stands, a rowdy crowd of parents, teachers, alumni and students waved banners, shook pom-poms and proudly displayed the blue and gold. At halftime, the Wi Hi band marched onto the field and put on a fine show. Their hard work paid off and their performance was superb. At 8:00 that evening, the Homecoming dance began. The annual affair, sponsored by the SGA, was a disco this year, with dee-jay Mr. Kool. It was indeed a "boogie night" with plenty of good music and a dance contest.

Christmas dance

For the first time in several years, Wi Hi had a Christmas Dance. Sponsored by the SGA, it was held on December 17 in the cafeteria. The dress was semi-formal and everyone looked as "Christmasie" as ever and ready for the season. Urban Renewal was the band that played. Brenda Pellegrin and Tim Meagher danced their way to winning two disco albums given as prizes for the dance contest. Everyone who attended (and there were lots who did) had the Christmas spirit which added to an enjoyment of the night.

Snow . . . snow . . . snow . . . snow . . . sn

Ever since elementary school, we have prayed for snow- enough to close school. And this year we got it-four glorious, cold, snow-filled days with school cancelled. Fun-oh, joy! Days for sleeping and then sledding at the Elk's Club. Lunch at Pizza Hut-if you could get your car out of the driveway. Sliding, skidding, and slipping around the driving range and the Mall parking lot was a thing to do, too. And watching Chris and Snapper on THE YOUNG AND THE RESTLESS while munching out in a warm house was part of those days, too.

However, our balloon was punctured when we returned to school and learned that we had to make up the days. At first- horrors! - we were to make them up by losing four precious days of our very first ever spring vacation. Howls came from all over town, and resulted in adding the days instead to the end of the year. Better-especially for seniors who didn't then have to make them up at all! Underclassmen, don't lose heart-maybe your senior year will have snow days for you, too.

Pathway to a snow day.

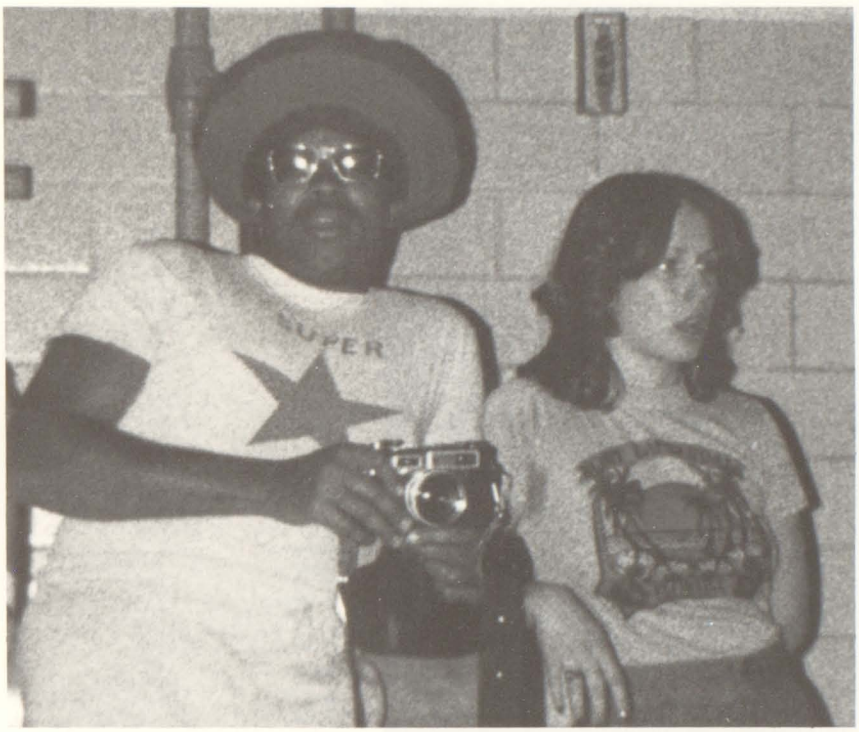
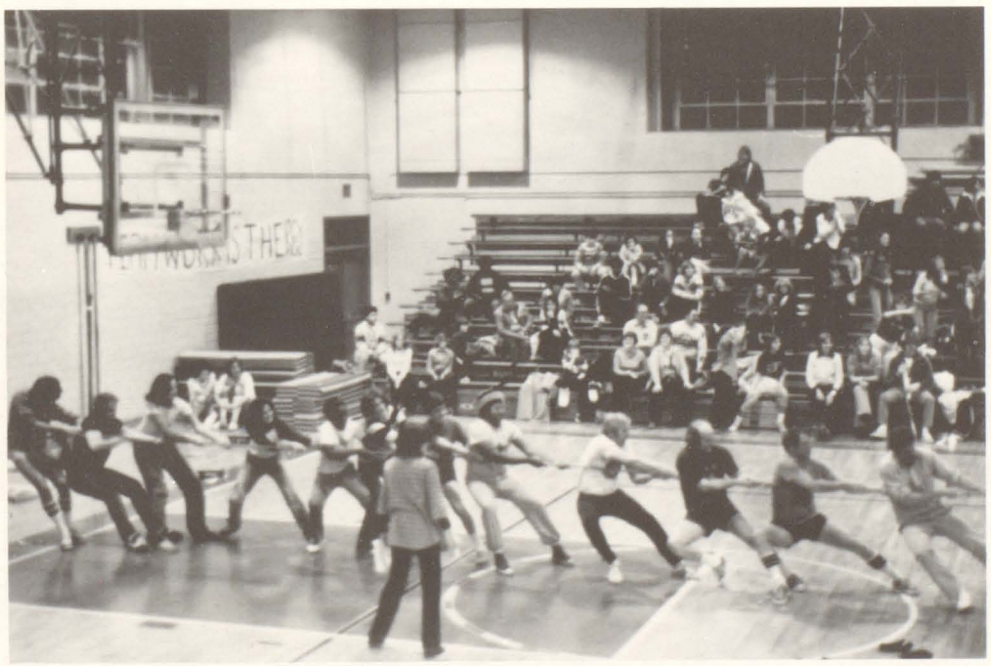
Seniors cheer for their class, but only pull second place.

Wi Hi held its second annual All Sports Night on Saturday February 4, 1978. The four classes built up their teams with their omnipotent foe, the faculty, in mind. The five teams staged a valiant battle, all for the honor of being number one. Class athletes participated in the tunnel race, sack race, ping-pong relay, the balloon burst, back-to-back relay, crab relay, the ever-popular izzy-dizzy relay, and the grueling obstacle course. The final standings in these exciting events had to be decided by the last event; the banana eating contest. The juniors pulled off an upset win, with the seniors right on their heels. The sophomores, freshmen and faculty followed in proper suit.

Don't just stand there, Greg. Do something!



Terri Gootee and Mr. Stanley take a breather between events.



The faculty members are soundly defeated by seniors.

The Class of '78 pulls off a first place win in the tug-of-war competition.

Wi Hi's drama department was very active this year. Mrs. Taylor's Drama II class kicked off the year's activities with Children's Theatre, performed October 18th through the 27th. Two plays were presented to several elementary schools in the area. "Kid Avalanche," starring Scott Davenport and Kathi Peavley, and "The Leprechaun's Pot of Gold" with Darlene Vincent, Jeanine Murphy, and Annette Gregory wre the plays. Despite dress rehearsal blahs, the plays were successful, and the group received several fan letters.

Soon afterward, Kim Webster and Craig Everett won the leading roles in the Senior class play. "Tear Along the Dotted Line" was presented in November.

In February, Wi Hi News and Indian Chant presented twelve comedy skits at the Dinner Theatre. Again, the Drama II class participated, along with Mrs. J. Taylor, Miss Seward, and Mrs. Wilsey. All of the skits were student directed.

Then came Spring with the three Drama I plays - an evening of "Suicide, Satire, and Satan." Again, there were student directors.

Drama II class wound up the year with the production of a suspense-filled murder mystery. "Murder on Center Stage" was presented in May and starred Kathi Peavley and Rick Parsons. The thunderstorm raging outside greatly added to the "special effects" on opening night. The cast was presented with a standing ovation on both nights.

A good year.

VARSITY FOOTBALL

Wi Hi, rebuilding under a new coach and a new system, had an outstanding year defensively, allowing only 53 pts. to be scored against us all year and holding conference champion Cambridge to their lowest score all year. All-conference selections were: Kory Hooker, Rick Reddish, Donald Leak, Bryan Dennis and Toussaint James. Team Captains Toussaint and James Hall led a hard hitting "Never Say Die" group of guys who represented the school well. Rick Reddish was selected by the coaching staff as the Most Valuable Player, Bryan Records as Lineman of the Year and Donald Leak as Defensive Player of the Year.

Standing: Coach Schoepf, R. Ellwanger, J. Psota, B. Davenport, V. Gibson, C. Everett, G. Hilderson, D. Connell, (Manager) L. Melvin.

CROSS COUNTRY

This year's Cross Country Team was an outstanding success. It consisted of Varsity, J.V. and Girls' teams. The Varsity was 10th of twenty-two teams in the Salisbury Invitational. Other accomplishments included scoring 4th in the Bayside, 3rd in the district 8 Championships, and 15th in the State. Finally, our Girls and J.V. teams both enjoyed undefeated seasons.

Coach Schoepf plans his strategy.

Terri Gootee is in full control.

This year's hockey team ended with a 2-5-3 record. Coach Holiday introduced a change in strategy for the defense towards the middle of the season, which proved very surprising to our opponents. Unfortunately, our offense lacked scoring, but they did a fine job. With many returning players, next year is a promising one.

SOCCER

This year the Tribe Booters exhibited an 8-3 record, and a surprising second place finish in the Bayside Conference. Despite being picked to finish fifth in the conference, we pulled off upset victories over Crisfield, Parkside, Mardela and conference champion James M. Bennett. Shutting out Bennet on their HOME field ruined their dreams of an undefeated season.

Coach Roman will greatly miss the services of the following Seniors: Jerry LeCates-MVP, Captain; Craig Daniels-Captain, Ken Welch-Captain, Greg West-Captain, Mike Beauchamp-Captain, Tony Kirn, Randy Smith, Rick Whetzel, James Mitchell, Ron Hall, Sung Kang and Keith Lightfoot.

GOLF

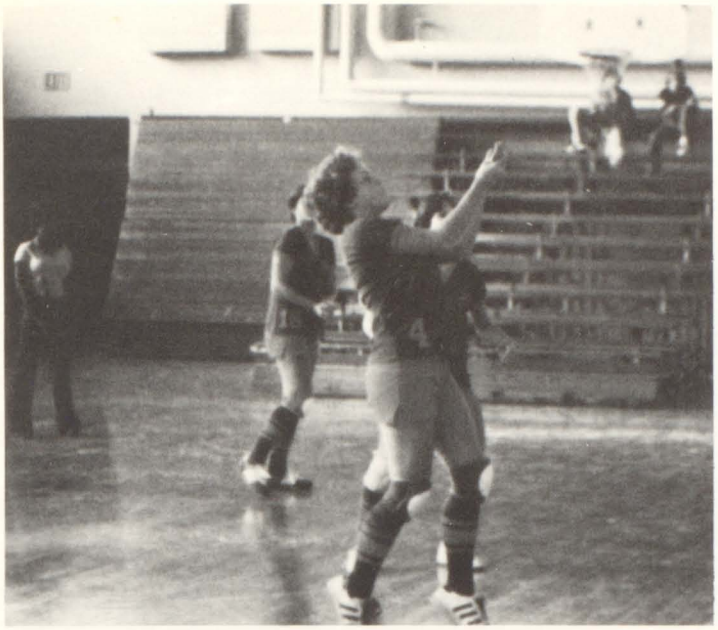
Wi Hi's 1977 golf team enjoyed a successful season led by Seniors E. C. Jones (MVP), Jeff Baer, R. C. Hall, and Kenny Richardson. With these golfers leaving, Coach Waller has a rebuilding year on his hands. He is supported by up and coming underclassmen who showed a great deal of promise during the season.



Molly returns it beautifully.

During its second year, Wi Hi's Volleyball team finished with a strong 4-6 season. Outstanding players this year were: Seniors Cindy Bratten, Carol Lappen, Linda Shrieves, and Junior Molly McGinty. Next year's returning team of 8 members is expected to give the volleyball team a strong start in the right direction.

JV FOOTBALL

This year's JV team had an average season of 4-3-1. We did hold all opponents to an average of less than 10 points per game. Many players will be advancing to varsity football next year with valuable training and experience. MVP Brian Travis will be a great asset to the team.

J.V. defense piles on the ball.

J.V. BASKETBALL

The Jay Vees this year finished with a fair (9-10) season. Important victories included beating J.M. Bennett once and an exciting triple overtime win over the Jaguars at home. High averages for Wi Hi were: Marcus Carr (14.8), Scott Smith (11.8) and Dave Johnson (10.1).

J. V. BASKETBALL

Wrestling

With an 8-4 record, Wi Hi ended a successful year. To add frosting to the cake, we also won the Mythical City Championship by beating JMB twice - the first time ever. Seven out of ten wrestlers advanced from sectional to regionals. Outstanding performances were turned in by Wayne Collins (season record 10-1-1 and third in sectional) and Richard Whetzel (season record 7-3, first in Salisbury Invitational Christmas Tournament, first in sectionals, and fourth in regionals). Whetzel, also advanced to the State Tournament for the second year. Other outstanding wrestlers included Joe Sample (9-1) and Kevin McGinty (10-2 and second in sectionals.)

BASKETBALL

Even though, Wi Hi finished with an average season (11-11), there were many bright spots for the Indians. They finished runner-up in the Christmas Tournament, where Wimpy Cropper and Jerry Lecates were selected to All-Tournament Team. Also, Charles King set a new school scoring record of 47 points against Mardela.

During the year, Wi Hi split against the city rivals, losing to Bennett by two points in overtime and whipping them the second go-around by a nifty 11-point margin. Outstanding seniors for the team included Charles King, Kevin King, Larry Pender, Jerry LeCates, and Wimpy Cropper.

GIRLS' BASKETBALL

After a somewhat average season, Wi Hi really unwound in the state playoffs. They went on to win the District 8 crown and barely lost to Kent in their next contest. Led by senior guard Cindy Bratten and freshman star Joyce Rieben, Wi Hi finished with a very exciting and emotional season. Even though several key seniors are lost, next year seems to be very promising under the assistance of Coach Holloway.

Girls' Track

This year's team only won two meets, but almost all the meets were close. Individual achievements this year included: Sadie Weatherly, high point scorer for the year (71pts.); Pam Shelton, one of the better milers in the area and the M.V.P; plus Jeri McDaniel who qualified for four events in State and placed Sixth in the 100-meter hurdles.

Cindy Bratten takes one high.

Pose for us, Renee.

Bottom row: J. Morris, C. Bratten, V. Jones, T. Gootee. Middle row; B. Prushansky, S. Parker, M. Burke, M. McGinty, M. Morrison, R. Nacrelli, A. Gismondi, D. Parker. Top row: C. Holliday, J. Lewis, B. Hamblin, W. West, J. Rieben, P. Renshaw, K. Evan, T. Tonelli, P. Key, C. Stanley.

SOFTBALL

A tremendous year was recorded in 1978 for Girls' Softball. They finished with a 14-5 slate and were Bayside South champs as well as District VII Class B champs. This year's club was led by the excellent pitching of Joy Morris and the outstanding hitting of Freshman Joyce Rieben. Cindy Bratten, Mary Morrison, and Brenda Prushansky all contributed with their bats also. Next year's club can be even stronger, if they can fill the strong pitching role.

Teri shows off her swing.

Be set, Cindy.

Terri, Mary, and bashful Ann.

Bottom Row: B. Harris, R. Reddish, J. Appleby, M. Mitchell, S. Robinson, G. Richins, E. Pinto, J. Massey, G. West, L. Jones. Top Row: Coach Waller, K. Hooker, J. DeSoto, M. LaBounty, D. Grise, M. Bowen, J. LeCates, E.C. Jones, L. Heidt, C. Daniels, Coach Blankenship.

BASEBALL

Baseball was supposed to be THE team this year but they fell one game short with a fine record of 13-3. This year's club was the mythical "City Champion" beating J.M.B. twice and Parkside once. Greg West won the batting title and received the M.V.P. award. E.C. Jones collected the Senior Baseball award and David Grise earned the distinction of being undefeated in the pitching department of Wi Hi. Larry Heidt, Kory Hooker, Brian Harris and Jerry LeCates all contributed significantly to the club also. Next year's club will be tough, too.

Senior Greg West heads toward the dugout.

E. C. patiently awaiting a play.

Freshman Joe Appleby in action.

What a foursome.

Band and band front

The band, struggling through the past year with a few drastic changes, finally has a small hold on the future. Complete with new uniforms and a new director (Just like musical chairs), the band has gotten through the entire year just hanging on a string. But all the disappointments of the previous year didn't hurt the enthusiasm of all returnees. Although we dropped off at district band festival for the first time in years, the Wi-Hi Band is still one of the best bands on the shore.

Drum Major: Deena Parker

JUNIOR & SENIOR. BANQUET
Have a royal knight

The class of '79 outdid themselves for their favorite senior class on Monday, May 1, 1978. The juniors put on the best Jr.-Sr. Banquet in many years. Several busy sophomores and freshman served the fried chicken and ham dinner while Dan Connell and Owen Hooks kept everyone entertained with their mellow mood music. After diner was over, Curties Everett emceed the awards program. Seniors were honored with clever awards and Curtis' humor. The awards preceded the first Jr.-Sr. Banquet Disco ever. Al Frazier and his WSUX mobile disco kept Wi Hi dancing into the night — and it was certainly a royal knight.

Terry and Audrey with their ultra-bright smiles . . .

Is Greg really the best looking, Marlena?

What was in your iced tea Ricky?

Wow, Susan, you look peachy-keen.

Greaser Day, an SGA project, was held on April 21. Students and teachers alike donned fifties attire and jitterbugged around Wi Hi all day. There were ponytails, rolled-up jeans, full skirts, bright red lips, slicked back hair and white socks. Participation was very enthusiastic this year. However, the Greaser Dance had to be cancelled due to poor ticket sales. Wi Hi dug fifties attire but, unfortunately, wasn't too keen on a sock hop.

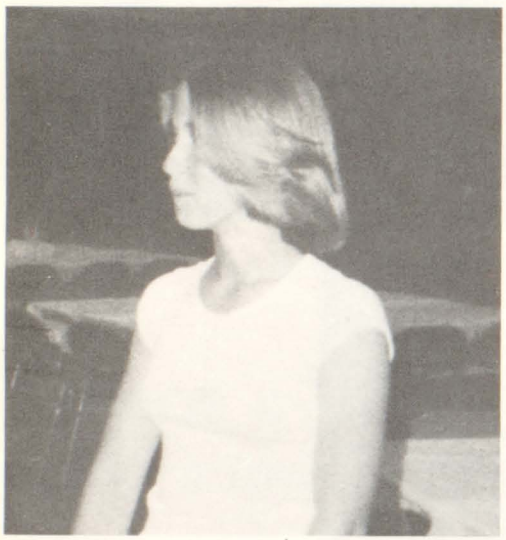
Mr. Coll.

Let's all head to Arnold's.

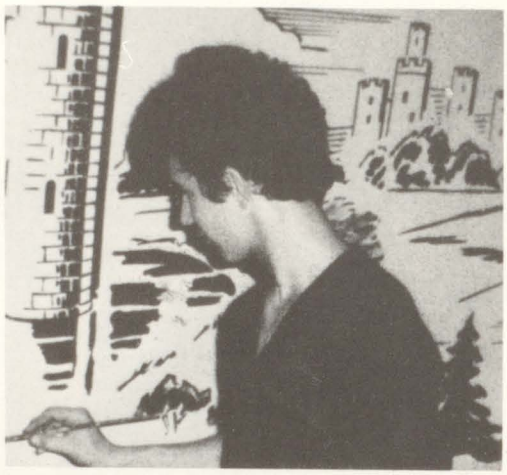
GREASER DAY

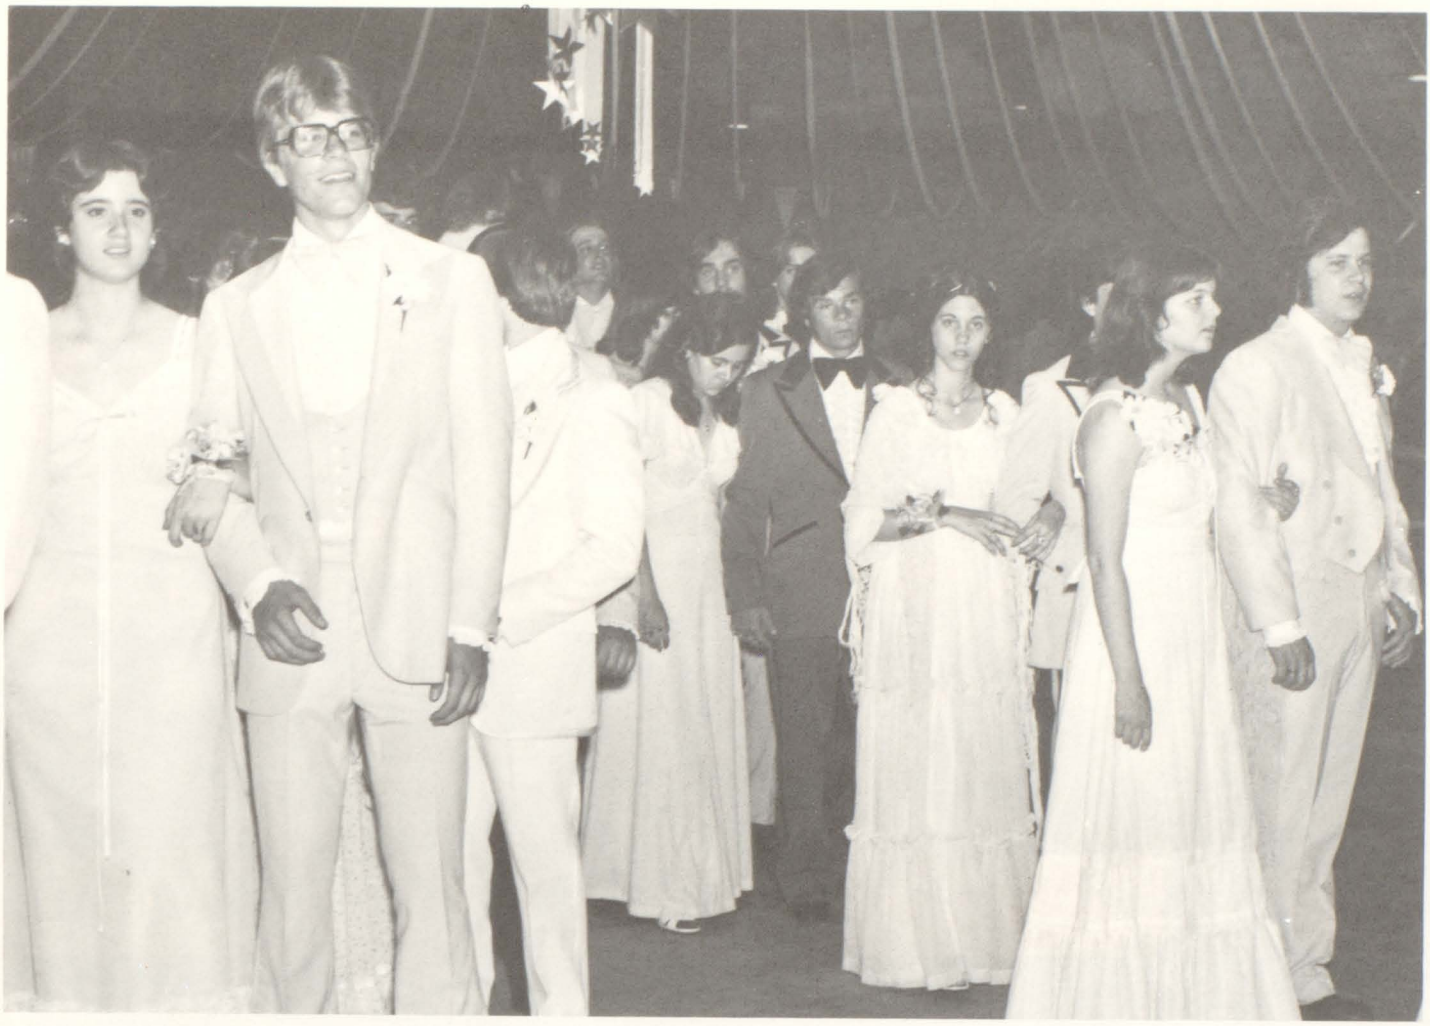
Bobsie Twins.

Celebrities of Sha Na Na.

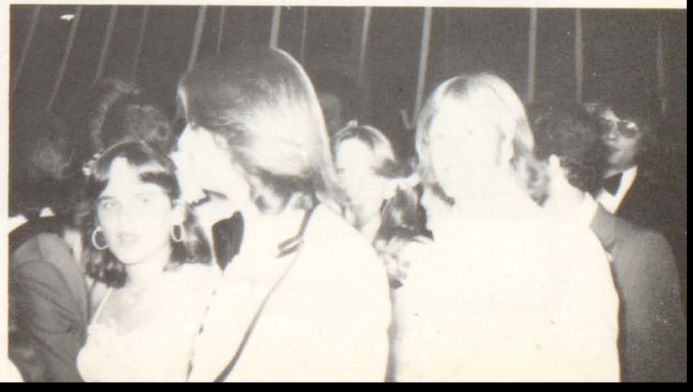


'Twas the night before the Prom when all through the Midway Room people were stirring, and painting, and praying for the decorations to be ready soon. With no backdrop in sight, Marc Altamar worked through the night and gave us a "Castle In The Sky." We reached for the stars, climbed ladders and put glittering castles on all the tables. We worked 'til we dropped and we made it to the top, 78's Castles In The Sky!





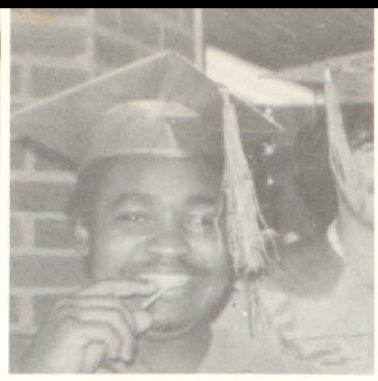
CASTLES IN THE SKY

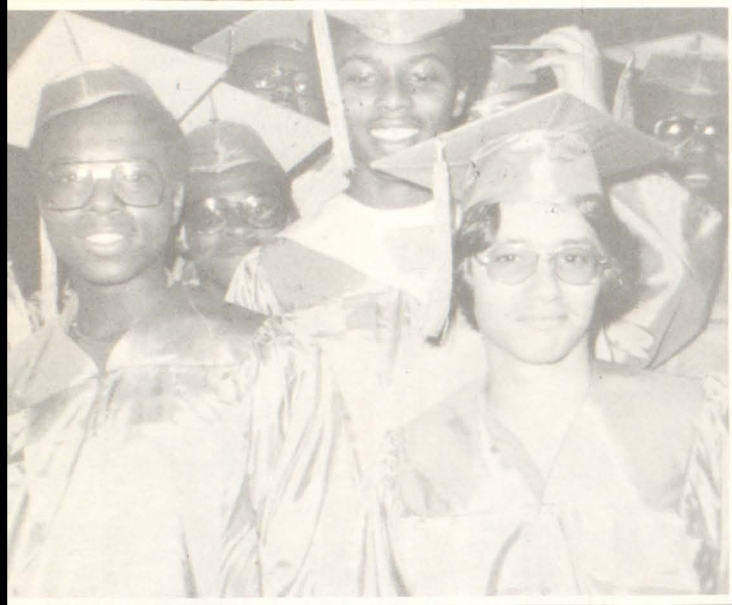


THE GREATEST LOVE OF ALL

The prom was held on May 19, a beautiful evening that held enchantment in the air. As the couples crossed the drawbridge entrance they were transcended into a blue and ivory world of "Castles in the Sky", complete with glittering stars, wispy clouds and even a knight in shining armor. They danced through the night to the funky sounds of "Imani". Then it was Grand March time — a slow procession this year, due to the lack of space. The couples circled the room in a huge royal procession to "The Greatest Love Of All". There was a problem with the record so Bill Milbourne and Melva Polk honored us with their beautiful rendition of our class song. This was followed by more of "Imani's" jazzy tunes, but it was over all too soon — at the stroke of midnight. As the couples left they received brandy snifter souveniers of their royal night. And before the breakfast at 1 a.m. many couples put them to use in a toast to the class of '78.

PROM





Commencement exercises were held at the Ben Maggs Physical Activities Center, Salisbury State College, on May 31, 1978 at 7 p.m. Graduating seniors were there 45 minutes early, anxiously awaiting the first notes of "Pomp and Circumstance" to signal their entrance. Finally 7:00 came. We marched in, smiling and waving to family and friends, adjusting our caps, trying to maintain our spacing. We sat fidgeting, trying to catch the attention of special friends who, unfortunately, were not our same height. Finally it was time to receive our diplomas. We anxiously waited for our names to be called, received our diplomas and somehow found our ways back to our seats. Soon it was over. Overflowing with smiles or tears, or sometimes both, we marched out together, for the last time as a class. As we fought the crowd to find family and friends, we left behind one phase of our lives to begin another. It was the climax of twelve happy, sad, wonderful, awful, challenging, boring, short, long, crazy years — all over in a brief blur.

Wi Hi held three Awareness weeks this year: Fine arts Week, Science Awareness Week, and Social Studies Awareness Week. The purpose was to make students aware of music, dance, literature, the environment, and our heritage. Visiting experts participated in workshops, assemblies, and seminars. And the halls were full of painted people talking about clean water and going to jail.

Micky demonstrates her "Love" make-up for Fine Arts week.

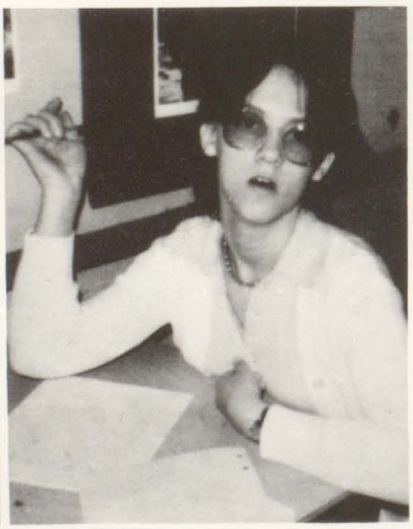
Mrs. Wilsey
March 31, 1978



To the students and faculty of Wi Hi,

This has been one of the best years the Tom-Tom has ever seen. We've done some new things this year — like adding color pages and more copy. In essence, we have tried to capture the spirit of '78 on these pages for you.

Without the talents of our hardworking staff, this book wouldn't have been possible. Special thanks go to our advisor, Mrs. Wilsey for her leadership and dedication. Thanks go to Greg West for the sports section, Greg Bassett and Jamie Crouse for their photography and Jay Lewis for supplying transportation during our Munchie attacks. Also, sincere thanks to the businesses that supported us by taking out ads.

Finally, thanks to our subscribers. We hope you get as much enjoyment out of reading this book as we did producing it. We are proud of it and hope you are too.

SGA

The last SGA meeting was called to order by President Winston Elliott on May 17.

Treasurer's Report: Don Trivits reported that there is a balance of $420.26 in the treasury. The SGA had to pay Parkside $21.00 for the loss taken on the movie. Part of the A.V. equipment came in — the sound system, film projector and the cassette player.

Election Committee: Debi Davis reported that the General Election was held on Thursday, April 27, and the winners of the class and SGA elections were announced seventh period.

The SGA presented gifts to Mr. Smith and Mrs. Daniels for their work and time that they put into the SGA.

The new SGA officers were sworn in by Mr. Evans,

A report was given of the projects that the SGA has accomplished. They were as follows: Christmas Dance, Homecoming Dance and Parade, Christmasland, Student Exchange, Salvation Army Canned Goods Drive, Easter Party for Emerson Avenue School, fence and landscaping, A.V. equipment, sound system for SGA, and one for the school, cassette player and filmstrip projector for the school.

Respectfully submitted,
